Write
the
antonym
for each
word

Rewrite this story replacing the underlined words with antonyms

Sam was very happy when the big circus came to town. She ran down the road when the noisy lion gave a huge roar. Everyone was excited and they all started to cheer.

This week's learning will include:

- ERO Visitors in classrooms
- WOW: Walk or Wheels on Wednesday
- Litter-less lunches
- Writing 'Thank You' letters

Practise your skills using Mathletics. Spend around 15 minutes each night on Mathletics to brush up your basic facts knowledge. Login to **StudyLadder** and work on your new tasks.

Reading Log

Keep up your daily reading log - write down how many pages you read each evening.

Date	Title
Mon	
Tues	
Wed	
Thurs	

Home Learning:

- Please complete all parts of the sheet and do your home learning every night.
- Antonym activity: please write answers on next page in your book.
- Reading books will be one chosen from your book box. If it is a chapter book, please write in the number of chapters read.
- Home learning book to be brought back to school on Friday.

Thank you everyone who came to the Meet the Teacher evening. It was a lovely way to meet other parents and families. I enjoyed meeting you all.

Thank you!
from Mr Darkens

Mathematics

PAIRS

Find the totals to these pairs

$2 + 2 = \quad 5 + 5 = \quad 8 + 8 =$

$4 + 4 = \quad 9 + 9 = \quad 3 + 3 =$

$() + () = 14 \quad () + () = 20$

NUMBER GROUP

Can the mysterious, mathematical magician bewilder and befuddle you with a number scavenger hunt?

Find some things that come in the following sets of numbers.

1 _____ (easy - name 5)

2 _____ (pairs - name 5)

3 _____ (hard - name 2)

5 _____ (easy - name 2)

6 _____ (harder-name 2)

12 _____ (harder-name 1)
